Please give details of the background to your application

Please give details of your current standard or qualifications, your current teacher/coach, and how a grant will help you to develop your skills, career or education further as appropriate.

How will you demonstrate how your future has been advanced, and how will you be able to give something back to the community?

We would like to see evidence of how your skills are developing, perhaps by creating a regular blog, and a willingness to give something back to the community, perhaps by taking part in a local event.

Why do you need a grant from The Roger Begy Memorial Trust to complete your project?

How will funding from us help you to achieve your ambitions in ways which may not otherwise be possible?

Referees

Please give details of one or more people who can support your application. These could include a current or former teacher, coach or tutor, someone from an organisation/club with which you have been involved, or someone else who can vouch for your skills and need.
